

Operation Sunscreen

Help send care packages to troops over seas.

Operation Sunscreen Care Package
Includes

- Mary Kay SPF 50 Sunscreen
- Mary Kay LIP Protector SPF 15

Mary Kay sunscreens provide Broad Spectrum Protection against UVA and UVB Rays.

We will be sending these directly through personal connections to troops overseas, and through Operation Courage is Beautiful ("OCIB"). OCIB is an organization dedicated to making a difference in the lives of our military women in harm's way. You are welcome to include a personal note from you to the troops thanking them for their sacrifices for our freedom.

I will personally match each donation!

My goal is to support 100 soldiers.

Deadline: May 31

THANK YOU FOR YOUR SUPPORT!!
